

LOOKSHA 17™

ADVANCED COMPOSITE

The Looksha 17 composite is a sporty touring kayak designed to cover some distance. The multi-edged, hard-chined hull provides wonderful edge control with a smooth transition from primary to secondary stability. Featuring a performance fit cockpit, our own Cross Lock™ hatches with a ton of space for storage and comfortable Extrasport™ seat with supportive back band. One of our most popular designs, its stability, high volume and glide allows paddlers to bring the kitchen sink without compromising performance, making it perfect for camping and longer paddling trips.

FEATURES

- Advanced Composite™ fiberglass lay up
- Comfortable Extrasport seat pad with supportive back band
- Composite thigh braces
- Reflective deck rigging including a perimeter safety line and deck bungee with paddle storage for and aft
- Large Cross Lock hatches with neoprene covers
- Rudder system with easy to adjust foot braces
- Recessed no-snag deck fittings
- Stainless U-bolt for locking/security
- Integral bulkheads
- Compass mount
